

## Risk Disclosure Statement For Securities Borrowing and Lending

All capitalized terms not otherwise defined herein shall have the meaning ascribed to same in the Terms and Conditions For Securities Borrowing and Lending ("Terms and Conditions").

### Part 1 – Securities Borrowing

- 1.1 The borrowing of securities by the Client from KGISS is an on-demand facility. KGISS may require the Client to return the Borrowed Securities or to re-deliver Equivalent Securities and the Client has to do so within the time specified in the Terms and Conditions. If the Client fails to return the Borrowed Securities or re-deliver the Equivalent Securities, KGISS may effect a buy-in without consulting the Client further, and the Client will be liable for the total costs and expenses incurred by KGISS arising from such buying-in.
- 1.2 When the Client borrows securities from KGISS, the Client will be required to deposit a required level of Collateral. The Client may be called upon at short notice to place additional deposits if the level of Collateral is inadequate in relation to the market value of the Borrowed Securities. If the required deposit is not made within the prescribed time, KGISS may buy-back the Borrowed Securities without prior notification to the Client.
- 1.3 The interest, dividends and any distribution whatsoever (each a "**Distribution**") attributable to the Borrowed Securities belong to KGISS and the Client has to pay and deliver to KGISS any such Distribution on its date of payment regardless of whether the Client receives the same. The Client is also to exercise any voting rights attached to such Borrowed Securities and any other rights arising and attributable to the Borrowed Securities in accordance with the instructions of KGISS, if the Client has agreed to the same. Failure to pay any Distribution to KGISS, or to protect and exercise any rights with respect to the Borrowed Securities in accordance with the instructions of KGISS (where the Client has agreed to do so) may expose the Client to liability.
- 1.4 Where, in respect of any Borrowed Securities, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer, rights to receive securities or a certificate which may at a future date be exchanged for securities or other rights, including those requiring election by the holder for the time being of such Borrowed Securities, become exercisable prior to the delivery of Equivalent Securities, then KGISS may, within a reasonable time before the latest time for the exercise of the right or option give written notice to the Client that on delivery of Equivalent Securities it wishes to receive Equivalent Securities in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- 1.5 The Client is required to furnish and maintain Collateral with KGISS so as to meet the SB Margin. Accordingly, the Client will encounter various risks, including:
  - (a) an increase in the value of the Borrowed Securities and/or a decrease in the value of the Collateral may require the Client to provide additional Collateral to KGISS to avoid KGISS from realising the existing Collateral;
  - (b) KGISS can realise the Collateral to cover the deficiency in the SB Margin. The Client also will be responsible for any short fall after such realisation;
  - (c) KGISS can realise the Collateral without contacting the Client. Some investors mistakenly believe that KGISS must contact them for a call for additional Collateral to be valid, and that KGISS cannot realise Collateral to meet the call unless KGISS has contacted them first. This is not the case. KGISS will attempt to notify the Client of a call for additional Collateral, but it is not required to do so. However, even if KGISS has contacted the Client and provided a specific date by which the Client can meet a call for additional Collateral, KGISS can still take necessary steps to protect its interests. This may include immediately realising the Collateral without notice to the Client;
  - (d) the Client is not entitled to choose which Collateral are to be realised to meet a call for additional Collateral. KGISS has the right to decide which Collateral to realise in order to protect its interests;
  - (e) KGISS can increase its SB Margin requirements at any time and is not required to provide the Client advance written notice. These changes in KGISS policy often take effect immediately and may result in the issuance of a call for additional Collateral. The Clients' failure to satisfy the call may cause KGISS to realise the Collateral;
  - (f) the Client is not entitled to an extension of time on a call for additional Collateral. While an extension of time to meet such a call may be available to the Client under certain conditions, the Client does not have a right to the extension.

### Part 2 – Securities Lending

- 1.6 When the Client lends securities to KGISS, the Client temporarily loses legal ownership rights to the securities but in place, has a right to claim Equivalent Securities. Insofar as the Client receives manufactured dividends, the Client may be required to treat the entire amount as income for tax purposes.

- (a) the last transacted price of the Outstanding Borrowed Securities, Borrowed Securities or Collateral traded on the SGX-ST or any relevant securities exchange on the preceding Business Day;
  - (b) if there was no trading in the Outstanding Borrowed Securities, Borrowed Securities or Collateral on the SGX-ST or any other relevant securities exchange, then, subject to Clause B6.4(c), the lower of the last transacted price and the last bid price of the Outstanding Borrowed Securities, Borrowed Securities or Collateral; or
  - (c) if there was no trading in the Outstanding Borrowed Securities, Borrowed Securities or Collateral in the preceding thirty (30) days, the price which KGISS estimates as the value of the Outstanding Borrowed Securities, Borrowed Securities or Collateral subject to any approval by the relevant regulatory authority.
- B6.6 Notwithstanding its rights hereunder, KGISS shall be entitled (but not obliged), at its absolute discretion and without notice to the Client, to at any time realise the Collateral (or any part thereof) and apply the proceeds therefrom to purchase such amounts of securities equivalent to the Outstanding Borrowed Securities and appropriate the same as Equivalent Securities returned by the Client so as to maintain the agreed SB Margin.
- B6.7 Where the Client has fully returned all the Outstanding Borrowed Securities and has a debit cash balance due to KGISS, the Client is required to settle the outstanding debit in full on demand by KGISS, failing which KGISS shall be entitled (but not obliged), at its absolute discretion and without notice to the Client, realise the Collateral (or any part thereof) and apply the proceeds therefrom to settle the outstanding debit balances due to KGISS.
- B6.8 Any determination of the value of any Collateral or Equivalent Collateral (other than cash) made by KGISS in good faith shall be final and determinative as between itself and the Client. The Client agrees that depending on the quality of the securities provided as Collateral for the Borrowed Securities, a larger deduction or hair-cut may be made by KGISS during the valuation process of such Collateral. Any Collateral deposited or provided by the Client shall comply with the applicable requirements prescribed by the applicable Singapore Rules including but not limited to the requirements prescribed in Regulation 45 of the SF(LCB) Regulations.
- B6.9 The Client shall execute and deliver all necessary documents and give all necessary instructions to procure that all rights, titles and interests in any Collateral and any Equivalent Securities delivered to KGISS or its custodian shall pass from the Client to KGISS or its custodian and shall be free from all liens, charges and encumbrances.

B6.10 In respect of any Collateral delivered or deposited with KGISS or its custodian, the Client acknowledges and agrees that:

- (a) KGISS shall maintain in its books a separate account into which the Collateral shall be credited and over which KGISS shall have a valid, first and paramount fixed charge, free of all encumbrances and adverse interests, and/ or general lien as security first for the obligations of the Client with respect to the Client's borrowings under these terms and conditions and secondly for any and all other obligations of the Client to KGISS howsoever arising. The Client shall, upon request by KGISS, forthwith execute all such transfers and other documents as may be necessary to enable KGISS or its custodian to perfect the charge, to be registered as owner of, or otherwise obtain legal title to, any Collateral deposited with or held by KGISS or its custodian and which are charged to KGISS or its custodian pursuant to this Clause B6.10(a). Save for the charge mentioned in this Clause B6.10(a), the Client will not create nor will the Client allow to be created any security interest of whatsoever nature over any part or all of the Collateral without the prior written consent of KGISS;
- (b) KGISS shall be entitled to commingle and maintain any Collateral (not being the subject of any title transfer in favour of KGISS) together with any securities and/or money that KGISS may hold for any other party whether as Collateral or otherwise. In connection with this, the Client acknowledges that it would be administratively and operationally difficult, if not impossible (in view of the constant ebb and flow of the aggregate balance in such account) to account separately for the interest of each of KGISS's clients due to their fluctuating cash balances (inssofar as the same has not been the subject of a title transfer in favour of KGISS) being part of a larger pool of money since interest will be received on a lump

sum basis. The Client further acknowledges and accepts that such an exercise would be likely to cost more than any interest earned. In the circumstances, the Client agrees that it is a material condition that the Client waives and relinquishes in KGISS's favour all claims for interest that might otherwise accrue with respect any Cash Collateral provided;

- (c) KGISS shall not be obliged to retain the same Collateral delivered or deposited by the Client with KGISS or its custodian in its possession or control (KGISS being entitled to treat all the same as fungibles) but to retain for the duration of the Client's Loan of Borrowed Securities, Equivalent Collateral and accordingly, upon termination of any Loan, KGISS shall only be obliged, subject to the value of the remaining Collateral posted by the Client with KGISS still meeting the SB Margin and subject otherwise to any other rights of KGISS rights under these terms and conditions (including Clause B6.10(d) below) or the General Terms and Conditions (including any right of interim liquidation or sale of the Client's Collateral), to redeliver Equivalent Collateral;
  - (d) KGISS at its full discretion shall be entitled to convert its obligation to redeliver Equivalent Collateral to the Client into an obligation to pay the aggregate value of the same and subject such payment obligation to KGISS's general rights of set-off (in addition to any other rights of set-off and/or consolidation of accounts or obligations KGISS may have by operation of law or by contract); and
  - (e) KGISS may create over the Collateral any encumbrance in favour of a third party by way of security, re-security, charge, re-charge, pledge, re-pledge, hypothecation, re-hypothecation or otherwise to secure KGISS's obligations to a third party account (if mortgaged, pledged or hypothecated otherwise than on a pool basis and otherwise for an amount that does not exceed the aggregate amounts owed by all clients collectively in the pool to KGISS).
- B6.11 The Client may call for the repayment of any Cash Collateral (by giving no less than three (3) Business Days' notice) or the redelivery of the Equivalent Collateral (by giving a period of notice no less than the standard settlement time for such Equivalent Securities on the exchange or in the clearing organisation through which the Borrowed Securities were originally delivered), provided that: (a) the value of the remaining Collateral posted by the Client with KGISS still meets the SB Margin at the time of such repayment or redelivery, or (b) the Client delivers alternative Collateral acceptable to KGISS such that the value of all Collateral posted by the Client with KGISS still meets the applicable SB Margin following such repayment or redelivery.

## **B7 REDELIVERY OF SECURITIES**

- B7.1 Each Loan of Requested Securities will be of such duration as may be agreed between the Client and KGISS, subject to such minimum and/or maximum Loan period as KGISS may in its discretion determine from time to time. Subject to Clause B7.4, KGISS may call for the redelivery of all or any Equivalent Securities at any time in the ordinary course of business upon notice of not less than the standard settlement time for such Equivalent Securities on the exchange or in the clearing organisation through which the Borrowed Securities were originally delivered. The Client shall redeliver such Equivalent Securities not later than the expiry of such notice. Simultaneously with the redelivery of the Equivalent Securities in accordance with such call, KGISS shall redeliver Equivalent Collateral (subject to Clause B6) in respect of the redelivered Equivalent Securities and repay any Cash Collateral to the Client.
- B7.2 If the Client does not redeliver Equivalent Securities in accordance with such call, KGISS may, at its absolute discretion, elect to continue the Loan of securities or by notice to the Client terminate the Loan. In the event that the Client fails to redeliver Equivalent Securities to KGISS in accordance with these terms and conditions, KGISS shall be entitled, at its absolute discretion and without notice to the Client, to "buy-in" Equivalent Securities. If such "buy-in" right is exercised by KGISS, the Client shall be liable to account to KGISS for the total costs and expenses incurred by KGISS as a result of such "buy-in".
- B7.3 Where the Loan period for Borrowed Securities is not specified, the Client shall be entitled by giving notice of not less than (a) the standard settlement time for any Equivalent Collateral on the exchange or in the clearing organisation through which the Collateral were originally delivered or (b) three (3) Business Days (whichever is the longer period) to KGISS, to terminate a particular Loan of the Borrowed Securities and to redeliver all and any Equivalent Securities due and outstanding to KGISS. Upon such termination and at the request of the Client, KGISS shall (subject to Clause B6) redeliver and repay to the Client any Cash Collateral or Equivalent Collateral in respect of the redelivered Equivalent Securities.
- B7.4 If an Event of Default occurs, the Client's delivery and payment obligations (and any other obligations it has under these terms and conditions) shall be accelerated so as to require performance thereof on the date an Event of Default occurs or such notice is served (as the case may be).
- B7.5 Where, pursuant to the provisions of these terms and conditions, KGISS performs an obligation in respect of the delivery of Equivalent Collateral or the payment or transfer of money (by way of deposit or otherwise) in respect of Cash Collateral at a time when the Client, in accordance with these terms and conditions, is required to perform a similar obligation simultaneously with the performance of the KGISS's obligation but, nevertheless, the Client's obligation is not performed simultaneously, the Client shall hold on trust for KGISS any assets (including cash) that he receives from KGISS prior to the performance of his own obligation being completed and any such trust shall terminate upon the completion of the performance of the aforesaid obligations of the Client.
- B7.6 Subject to and without prejudice to its rights under Clause B7.5, KGISS may, from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of securities, Collateral and cash

transfers, waive its right under these terms and conditions in respect of simultaneous delivery and/or payment provided that no such waiver in respect of one transaction shall bind it in respect of any other transaction.

#### **B8 TAXATION**

B8.1 The Client hereby undertakes promptly to pay and account for any transfer or similar duties or taxes chargeable in connection with any transaction effected pursuant to or contemplated by these terms and conditions (including any Loan), and shall indemnify and keep indemnified KGISS against any liability arising in respect thereof as a result of the Client's failure to do so.

#### **B9 CLIENTS' REPRESENTATIONS AND WARRANTIES**

B9.1 The Client hereby represents, warrants and undertakes to KGISS (on a continuing basis and which representations and warranties are deemed to be repeated each time a Loan is undertaken and to the intent that such representations, warranties and undertakings shall survive the completion of any Loan contemplated herein) that:

- (a) the Client is absolutely entitled to pass full legal and beneficial ownership of all Collateral provided by it hereunder to KGISS free from all liens, charges and encumbrances;

#### **B10 EVENTS OF DEFAULT**

B10.1 If an Event of Default (as defined under Clause B10.2 below) occurs, the Client shall immediately redeliver the Equivalent Securities to KGISS. In the event that the Client does not so redeliver the Equivalent Securities or only redelivers a portion of Equivalent Securities, the Client shall indemnify KGISS for and against any and all losses which may be suffered or incurred by it in connection with, arising out of or in relation to such non-delivery, including but not limited to the consideration paid to purchase a like amount of such securities, brokerage fees, commissions, clearing fees and costs and expenses incurred as a result of a buy-in.

B10.2 Each of the following events occurring in relation to the Client shall be an Event of Default for the purpose of these terms and conditions:

- (a) the Client dies, becomes the subject of an Act of Insolvency, becomes insane or otherwise loses his legal capacity to contract under the applicable laws;
- (b) any representations or warranties made by the Client being or becoming incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated;
- (c) the Client admitting to KGISS his inability to, or his intention not to, perform any of his obligations hereunder and/ or in respect of any Loan, debenture, mortgage or agreement;
- (d) the Client fails to provide further Collateral as demanded by KGISS or redeliver all or any of the Equivalent Securities to KGISS in accordance with the terms of these terms and conditions;

#### **B11 OUTSTANDING PAYMENTS**

B11.1 In the event the Client fails to remit sums in accordance with these terms and conditions, it hereby undertakes to pay interest to KGISS upon demand on the net balance due and outstanding at such rate which KGISS may, at its absolute discretion but subject to any applicable Singapore Rules, prescribe. Such interest shall be chargeable to and/ or set-off against any balances standing to the credit of the Client in any of his Accounts with KGISS. The interest shall be capitalised at the end of each month.

#### **B12 TERMINATION**

B12.1 KGISS shall have the right at any time to immediately terminate the Loan without cause or liability giving a notice in writing to the Client. Notwithstanding the termination of these terms and conditions, the Client shall remain fully liable KGISS for all losses, interest, liabilities, actions, proceedings, costs, claims and demands that may be suffered or incurred by KGISS in connection with or arising from transactions contemplated hereunder.
