

## Presentation with UG Healthcare

Date: 9 September 2020, Wednesday

Time: 2pm to 3pm

Venue: Zoom Video Meeting

### Company Background:

UG Healthcare manufactures and distributes gloves under its proprietary "Unigloves" brand. Although its shares have gained 1600% year-to-date, there are still several positive catalysts for its share price over the next 6-12 months. Join us as Mr Lee Jun Yih, Executive Director, provides us with an update on the company's expansion plans, as well as takes questions in a Q&A session.
